Dear Parents/Guardians:

It has been brought to our attention that several people in the past two weeks have received emails that appear to have been sent by Mary Ann Greczek, one of our employees. The emails notify the recipient that they owe money and are told to send it to a specified place.

These emails **were not** sent by Mrs. Greczek and they are not authentic. Our IT people have concluded that they were put together outside of our system and made to look as though they were coming from the Dunellen Public Schools. If you should receive one, please do not respond to it. Immediately contact Mr. Paul Lynch (732-400-5900 x 2300), the principal of Dunellen High School, to report that you've received it. Also, please do not delete the email so that our IT team, along with members of the Dunellen Police, can investigate and trace the origin of the fraudulent document.

We are hopeful that with your help we can uncover the perpetrators of this hoax and bring them to justice. As always, our first priority is to ensure the safety of our students, parents, and staff. Thank you in advance for helping us do that.

Sincerely,  
  
Gene Mosley  
Superintendent
