

Education for Parenthood Preschool Program

Dunellen High School is offering an exciting class that has storytelling, learning and craft activities as everyday events. The course is Education for Parenthood, where the students are the teachers!! It is an accredited course taught during third and fourth periods at the high school.

The purpose of the course is to educate students in effective parenting skills. High school students work with Preschool age children from age 2 - 5 two days a week. There is a critical need for a stronger emphasis on parenting education. The high school students plan, run, and evaluate the entire program. The year ends with a graduation ceremony.

Dunellen High School is currently taking applications for the 2021-22 Preschool Program. Only Dunellen residents are eligible for the program and it is free of cost.

The preschool runs two days a week, Wednesday and Friday (9:20-10:45 am). The tentative dates for 2021 are October through June 1. Applications are available on the school website and in the main office of the Dunellen High School.
